

## Arbitrage Terms and Conditions

According to the Liquidity Agreement and the terms of MILLIVA LTD, the use of arbitrage strategies on connected markets (such as currency futures, spot currencies, CFDs, and commodities) is strictly prohibited. If a client engages in arbitrage, whether overtly or covertly, the company reserves the right to cancel such orders, reverse trades, and seize any excess funds from the account. Additionally, the company may only return the deposit funds with prior notice. Arbitrage trading is considered illegal
